

Camp Geddie

Camp Geddie's mission is to invite all to experience the joy of God's beauty and love in creation and to nurture a relationship with Christ and Christ's people in a caring community through play and worship.

We are owned and operated by the Synod of the Atlantic Provinces of The Presbyterian Church in Canada. We aim to develop Christian faith and character in children and youth through living together in a Christian camp community and to further the educational goals of the church in an outdoor setting. We are open to all youth and all denominations.

Features of our site include a sandy beach, two lakes, seven sleeping cabins, the Irwin Lodge, which also serves as the dining hall, a craft/rainy day recreation building, washhouse with hot showers and flush toilets, a nurse's cabin/first aid station, and two outdoor chapels, and many nature trails. The site affords many opportunities for canoeing, hiking, sports, and much more.
