

Thinkers Lodge Society

The Thinkers Lodge Society (TLS) is a not for profit association formed in 2014 to help Thinkers Lodge National Historic Site fulfill its potential. Chartered in accordance with the Societies Act of Nova Scotia, the TLS has been created to provide community-based advocacy and volunteer support in the promotion, management and development of the Thinkers Lodge property and its programming. Through successive milestones defined in a partnership agreement with the Pugwash Parks Commissioners, the Society’s intention is to develop the capacity to assume full responsibility for the operation of Thinkers Lodge and the oversight of all sanctioned activities held at the property.

Vision:

The Thinkers Lodge Society supports, celebrates and preserves the legacy of Thinkers Lodge as a world-class National Historic Site by insuring the Thinkers Lodge Property will continue stand as a venue for thoughtful reflection and constructive discussion on topics related to peaceful, respectful and sustainable coexistence, which in turn will have a positive impact on local economic development & tourism.

Mission:

The areas in which Thinkers Lodge Society is mandated to achieve results are:

- High quality programming.
- High quality interpretive experiences for visitors.
- Full utilization of the entire Thinkers Lodge property.
- Collaboration with organizations of similar values.
- Sustainability.
