

As a follow-up to the 2015 Pugwash Tree Inventory Project, Communities in Bloom (CIB) will be arranging to order trees this Spring from Corn Hill Nursery and Blomidon Nursery to assist in planting trees in the area that have been recommended through the study.

Following are the trees available and the cost to us, including transportation. We realize the cost is higher than in the past. The trees are substantially larger however. Only trees that are pre-ordered and pre-paid will be brought in.

If you are interested in placing an order, please contact Wendy Isenor (902-243-2828 or alwenisenor@gmail.com) before April 20. It is our intention to have the trees available for the annual CIB plant and tree sale on May 13.
