

On a volunteer and non-profit basis, the objectives of the society are:

- To establish, operate and maintain a nature conservancy and outdoor interpretive center to educate the public about the ecosystem and environment in the Pugwash Estuary.
- To educate the public about the ecosystem and environment of the Pugwash Estuary through tours, public media articles, printed materials, and public speaking events.
- To work with other registered Canadian charities and public authorities to protect, preserve, monitor and guide the stewardship of the environment and resources of the Pugwash Estuary.

# Friends of the Pugwash Estuary

Since 2004 FOPE has been the environmental organization providing stewardship of the Pugwash Estuary by increasing public awareness and access to the Estuary through educational and recreational events while partnering with other conservation organizations.

The Pugwash Estuary is one of the province's largest estuaries with substantial areas of land under protection for nature.

Brochure updated Nov. 2023
