

# Pugwash Park Commission

The Pugwash Park Commission is a Non Profit Corporation and registered Canadian Charitable Organization established in 1929. We operate Thinkers Lodge and the Lobster Factory for the purpose of holding special events, educational seminars and workshops, retreats, lectures and more in support of its mission. Its mission is to bring together thought leaders from academia, civil society, government and community to build a better, more sustainable and more secure world through the power of dialogue.
